

Oil of Oregano Liquid

Nature's Harmony® Oil of Oregano, a unique blend of four wild, high-mountain oregano plants, is a potent antimicrobial agent with many uses—both external and internal.

PRODUCT CODE: 400751

HEALTH SOLUTIONS:

RECOMMENDED USE	DOSAGE FORM	RECOMMENDATIONS
Antibacterial, antifungal and antiparasitic agent.	Liquid	Adults take 1 to 5 drops daily. Take directly under the tongue or mix with juice or water or as directed by a health care practitioner. May be applied topically.

DESCRIPTION:

Nature's Harmony® Oil of Oregano is formulated from only the purest, hand-picked, 100% wild Mediterranean oregano and emulsified in extra virgin olive oil. This powerful, natural antiviral, antifungal, antibacterial and antiseptic agent has been used for gastrointestinal upsets, parasites, fungal infections, cuts, burns, bruises, abrasions, skin conditions, colds and respiratory disorders. It is also a powerful antioxidant with positive actions against inflammation. This amazing natural antiseptic also comes in capsule form.

Recommended Daily Allowance: N/A

Food Sources: N/A

Causes of Deficiency: Weakened immune system.

Symptoms of Deficiency: Widespread internal and external disorders, such as fungal and bacterial infections, GI tract upsets, skin disorders, joint pain and more.

Complementary Nutrients: N/A

HOW IT WORKS:

Nature's Harmony® Oil of Oregano contains the constituents carvacol and thymol. Working together, these compounds give Oil of Oregano broad-spectrum antimicrobial properties. The carvacol and thymol inhibit bacterial growth, with additive or possibly synergistic activity. Oil of Oregano inhibits the growth of intestinal parasites. Wild oregano is also rich in mucopolysaccharides—compounds that help decrease inflammation, and natural solvents that break down fungal cell membranes. Oil of Oregano is also a potent expectorant and worm expellant.

DID YOU KNOW...

Wild oregano has a history of medicinal use dating back to ancient Greece, where it was used as a medicine, both internally and externally. The Greeks considered this plant to be sacred and synonymous with health.

Oil of Oregano Liquid

RESEARCH:

Several studies have shown participants administered oil of oregano daily experienced disappearance of enteric parasites, bacterial yeast and other microbial organisms that cause illness.

SIDE EFFECTS:

Oil of oregano has no known side effects or toxicity; however, allergic reactions may occur.

INTERACTIONS AND SAFETY CONSIDERATIONS:

Not for use by children or by women who are pregnant or breastfeeding. Avoid contact with eyes. Flush immediately with water if oil accidentally enters eyes. Oil of oregano may disrupt iron absorption. If you suffer from anemia, consult with a health care practitioner before use.

OTHER CONSIDERATIONS:

Heat sensation is normal on application.
